TODAY'S THOUGHT

A union of believers with Christ will as a natural result lead to a union with one another, which bond of union is the most enduring upon earth. We are one in Christ, as Christ is one with the Father. . . . It is only by personal union with Christ, by communion with Him daily, hourly, that we can bear the fruits of the Holy Spirit. . . . Our growth in grace, our joy, our usefulness, all depend on our union with Christ and the degree of faith we exercise in Him.....

The world needs to see worked out before it the miracle that binds the hearts of God's people together in Christian love.
